

WELCOME TO THE CROSSING'S DINING EXPERIENCE

For Our Individual Travelers:

We are not your typical Restaurant; food is only served to registered guests of The Crossing.

Our chefs and culinary team pride themselves in preparing healthy and delicious meals with passion, showcasing fresh ingredients. The menu changes daily based on the season and market availability.

All meals are served family-style, we operate on a 'chef's choice' and 'fixed mealtime' basis.

Dinner examples:

- *Italian Sausage stuffed Chicken Leg, Bell Pepper, Balsamic Vinegar Chutney and Herb Infused Reduction*
- *Charbroiled Bacon wrapped Alberta Top Sirloin steak with grilled Scallion, Goat Cheese and Demi Glaze*

Dinners includes appetizer, dessert, soft drinks, coffee and tea. Our full breakfast consists of fresh fruit, yogurt, granola, eggs, bacon or sausage, potatoes and everything else that goes with a hearty breakfast. Enjoy a packed lunch for your day's activity on or off the property.

Breakfast is between 7:30 and 8:30, lunch pick up after breakfast and dinner is served at 6:30 pm.

DINNERS ARE ONLY SERVED WITH TWO NIGHT STAYS, IF YOU ARE BOOKED FOR A ONE NIGHT STAY, WE OFFER A PICNIC DINNER AND BREAKFAST AS AN ADD ON. (Our picnic dinners are wonderful and are intended to enjoy outside at one of the many peaceful places on the property.

While this meal service may sound a little different to first time guests, most of our regulars would not have it any other way. No one goes hungry at The Crossing.

Please note that we do not have a liquor license.

For Our Corporate Guests

We have created a selection of menus at three different price points from buffet style to plated dinners. Our reservations team will be happy to provide information and help with your choices.

For Our Wedding Guests

We have created a selection of menus for the 'special day' depending on the package that is selected from a take-out style lunch to a full wedding reception buffet. Our reservations team will be happy to provide information and help with your choices.

Special Diets

We are not able to change our menu for preferences ('I don't like salmon'), however with advanced notice we are pleased to offer gluten, vegan and dairy free options. Dietary requests need to be made at the time of booking.
